

Colin Ferris

Colin Ferris has over 30 years of experience in litigation of all types in the area of business law.

He advises on all matters relating to the chartering and operation of ships, the sale and transport of goods and international trade.

Colin Ferris also advises on shipbuilding and repair contracts, all aspects of the purchase and sale of ships, complex joint ventures and other commercial matters.

He advises shipowners and shipyards, charterers, cargo owners, P&I clubs and banks, among others. He works closely with other lawyers around the world on matters with an international background.
