

Maje Tode Partner

Maje Tode specialises in the sale and purchase of newbuildings and existing vessels, as well as the registration of ships and ship mortgages in all known ship registries worldwide.

Maje Tode has been advising some of the major shipping companies for over 20 years on the negotiation of shipbuilding and sales contracts as well as charter and ship management agreements and assists her clients with the registration of ships and ship mortgages in all common flag states worldwide. She also advises ship management companies in connection with the operation of sea-going vessels.

Furthermore, Maje Tode has extensive experience in the field of domestic and foreign corporate law. Her practice includes the area of structured construction and long-term financing of ships.
