Melissa Wellmann

Melissa Wellmann advises ship operators, ship owners and financial institutions on maritime financing and on corporate law.

She advises on the sale and purchase as well as chartering of ships, registration of ships as well as on ship mortgages and other financing securities.

In the field of corporate law, Melissa Wellmann advises clients, primarily partnerships, on corporate law questions.

Prior to her legal education, she gained practical experience in a Hamburg based shipping company in addition to her apprenticeship in the commercial shipping industry.
